The University of Winnipeg Foundation is a not-for-profit charitable foundation, dedicated to fundraising in support of the vision and mission of The University of Winnipeg and its Collegiate.

Founded April 1, 2003, the Foundation takes its place as one of the leading educational foundations in Canada, providing arms-length private fundraising to support excellence and accessibility in education.

The Foundation currently manages over \$27 million in endowed funds. It envisions a future where greater endowed assets are accumulated and invested to ensure dynamic possibilities for the University and its students for generations to come.

The University of Winnipeg Foundation Financial Statements 2005-2006 are available from The University of Winnipeg Foundation.

Message from The University of Winnipeg Foundation

Your support makes a world of difference to our students and University. Many of you are loyal donors, standing behind the University and its Collegiate year after year. Others of you, interested in recent developments and exciting plans, are making first-time gifts in support of projects that are compelling for you.

We appreciate your contributions and interest. Your help has a direct impact on the lives of students and faculty as well as in the broader community that ultimately benefits from the success of our graduates.

Our Foundation was launched in April 2003 through a \$14 million gift from the Province of Manitoba for Wesley Hall restoration. At the end of fiscal 2005-2006, endowed funds held in trust by the Foundation exceeded \$27.4 million. New contributed capital to endowments for this past fiscal year increased by over \$4 million, bolstering existing funds and establishing 22 new endowment funds.

President Emeritus Dr. Henry Duckworth
and Mrs. Duckworth

Hong Kong News Conference announcing
Wu Chung Scholarship Fund

Spence Street Opening Celebration

The University of Winnipeg Campaign continues in its quiet phase, and we are experiencing unprecedented support. This past year, we received outstanding commitment from our Internal Family Campaign, surpassing the \$1 million goal in gifts from our Faculty, Staff, and Retirees. We were honoured as well to announce three individual \$1 million gifts that have inspired us all. (See our Campaign Report.)

Exciting plans are underway for a Homecoming in Fall 2007 to celebrate the 40th anniversary of The University of Winnipeg receiving its charter. Plan now to attend this special celebration and reconnect with University and Collegiate friends.

Donor involvement in our University is increasing rapidly. Since 2003, our donor base has grown by 30%. This past fiscal year, more than 2,450 people invested upwards of \$5.4 million in the future of our University and our students.

Our University is taking on new life through the campus plan. Your gifts bring exciting developments and substance to our shared vision – through capital projects, new internships, fellowships, endowed chairs, and vital academic initiatives like the Global College and Wii Chiwaakanak. Your generosity contributes to the high quality of academic life experienced at our University.

We value and appreciate your keen interest and thoughtful support. Thank you.

Report on The University of Winnipeg Campaign

Campaign Chair
R.M. (Bob) Kozminski

Highlights in an outstanding year include the successful launch and conclusion of the University's and Collegiate's Internal Family Campaign. Faculty, staff, and retirees far surpassed their \$1 million goal, demonstrating their caring for students and their confidence in the dynamic future of our University. Congratulations for this landmark achievement.

Extraordinary gifts

This past year, we announced three individual gifts of \$1 million:

- from our University Chancellor and Foundation Board Chair Sandy Riley, to establish the H. Sanford Riley Fellowships in Canadian History (donated through the Internal Family Campaign);
- from Sir Gordon Wu and the Hopewell Foundation of Hong Kong, to create the Wu Chung Scholarship Fund; and
- from James D. MacDonald, to The Collegiate for bursaries and scholarships.

We are grateful to our donors for investing in the future of our students and University.

In the spring, we welcomed businesses and corporations to a supplier appreciation event and entered discussion on building legacies as part of the Supplier Campaign.

Over the year, our Campaign volunteers have been helping our donors determine where their gifts might be best utilized.

We look forward to the coming year, further announcements, and exciting preparations for Homecoming 2007.

Over the Top!

\$2.4 Million Internal Family Campaign exceeds goal

On March 22, 2006, faculty, staff, and retirees of The University of Winnipeg celebrated the success of The University of Winnipeg Internal Family Campaign. Their generous giving demonstrates an unprecedented show of financial commitment for students and for the work of the University. Aiming to reach \$1 million, the Family Campaign raised \$2.4 million with participation from over 550 donors. The Internal Family Campaign's success bolsters funding for student awards along with other areas of interest to the individual donors.

Congratulations to the Campaign Committee and its 52 volunteer canvassers, all of whom supported the Campaign by gift or pledge. Thank you to the University Family – this tremendous commitment and caring for the University and its students is valued and appreciated.

Announcing the H. Sanford Riley Fellowships in Canadian History

University of Winnipeg Chancellor and Chair of The University of Winnipeg Foundation Board H. Sanford Riley has donated \$1 million to The University of Winnipeg Campaign. This donation, given as part of the University's Internal Family Campaign, has established the H. Sanford Riley Fellowships in Canadian History.

A member of Canada's National History Society, Chancellor Riley passionately believes that Canada's history must be taught, celebrated, and written about in ways that excite the imagination. Establishment of the H. Sanford Riley Fellowships in Canadian history is a crucial development in the promotion of Canadian history locally and nationally and will initiate dynamic relations among notable Canadian historians.

This important new endowment fund will enable Canadian historians to visit The University of Winnipeg as Fellows for up to six months to undertake research, conduct seminars, and offer public lectures and presentations in Canadian history. "Chancellor Riley's gift recognizes the longstanding tradition of this University as a centre of excellence in the study of Canadian history," said President Axworthy.

"Today's alumni continue to bring pride to the University as award-winning and prominent scholars," said Riley. "Thanks to the scholarly gifts of seasoned and promising academics," he said, "our Department of History will continue to stand proudly as one of the most innovative history departments in the country."

Building on Traditions of Excellence in Canadian History

The University of Winnipeg enjoys a long-standing reputation for its Department of History – and, in particular, for the study of Canadian history.

Establishing the H. Sanford Riley Fellowships in Canadian History is part of the vision to establish a national centre for Canadian history at The University of Winnipeg. The \$1 million Fellowship awards are a crucial development in the promotion of Canadian history locally and nationally.

Wesley and United College history professors were highly respected academics whose expertise led to the study of history assuming a dominant position in the College. The strength of the University's Department of History lies in the dozens of gifted faculty members who have dedicated themselves to teaching, research, and community service, and whose legacies of excellence remain cherished to this day.

The exterior of Wesley Hall - the University's flagship building - has been restored to its former glory through a grant from the Province of Manitoba.

Sir Gordon Wu and President Lloyd Axworthy

\$1 Million Gift Establishes Wu Chung Scholarship Fund

The University of Winnipeg and its Foundation on February 15, 2006 announced a \$1 million Wu Chung Scholarship Fund with a gift to the University's Global College from Sir Gordon Wu and the Hopewell Charitable Foundation of Hong Kong. The donation was given in honour of Sir Gordon Wu's father, Wu Chung.

"This generous contribution, the largest international scholarship in our 135-year history, will provide full tuition, books, accommodation, and living expenses to enable up to four students a year from Sir Gordon Wu's home town of Huadu to pursue post-secondary undergraduate degree studies in Canada at The University of Winnipeg," said Dr. Axworthy in an announcement ceremony in Huadu.

"The fund will become a cornerstone of the University's new Global College," said Dr. Axworthy. "This gift from Sir Gordon Wu and the Hopewell Foundation will have a significant impact on the Global College's vision of bringing together students from around the world to engage in a dynamic dialogue on global issues."

"This represents the largest gift from an international donor to benefit The University of Winnipeg and its students," said Susan Thompson, CEO of The University of Winnipeg Foundation. "It is an inspired contribution and we are grateful to the Wu family for nurturing education and global citizenship in this way in Huadu, China, and in Canada."

Global College Guest lecturer Senator Roméo Dallaire

Global College

A College Without Borders

The University's Global College provides a vital nexus for research, discussion, debate, and action. The Global College is striking a chord with students and citizens as a research and dialogue hub enabling today's keenest minds to focus on solutions to global warming, infectious disease, and human rights issues.

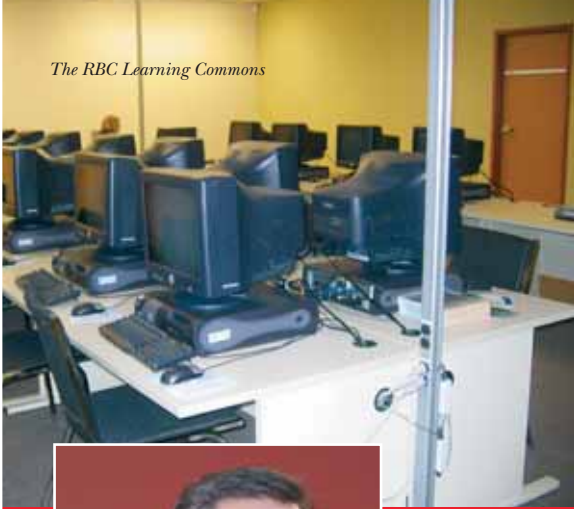

Global College funds this year include the \$1 million Sir Gordon Wu and Hopewell Charitable Foundation gift to establish the Wu Chung Scholarship Fund for international students.

Additional highlights ...

- Through Global College, President Axworthy established the Peace Education Fund to support immigrants and war-affected refugees pursuing higher education.
- Student involvement on an electoral observation mission in Peru was one way the University facilitated opportunities for students and alumni to make a difference.
- Guest lecturer Senator Roméo Dallaire conducted an intensive human rights workshop as phase one of a Global College initiative on United Nations' Human Rights Commission reform. Such events illustrate Global College's commitment to tackling world problems and taking a leadership role on human rights and global issues.

RBC Financial Group
Regional President Kirk Dudtschak

Corporate Donors Provide Funds for Wii Chiiwaakanak

On November 9, 2005, The University was pleased to officially open the Wii Chiiwaakanak Learning Centre, made possible with the help of major corporate donations of \$300,000 by the **RBC Financial Group** and \$100,000 by **The North West Company**. Supporting the centre as well is a grant of \$295,000 announced in April, 2005 under the Winnipeg Partnership Agreement, administered through Western Economic Diversification Canada's Urban Aboriginal Strategy.

Wii Chiiwaakanak, meaning partners, provides Aboriginal students and community members with a variety of resources to bridge the digital divide and engage Aboriginal young people and their families with the tools needed for future successes. Wii Chiiwaakanak is located within the Helen Betty Osborne building, opposite the University's Duckworth Centre on Ellice Avenue.

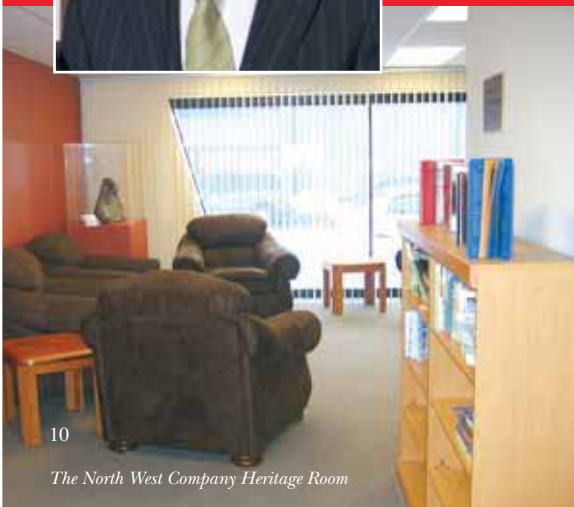

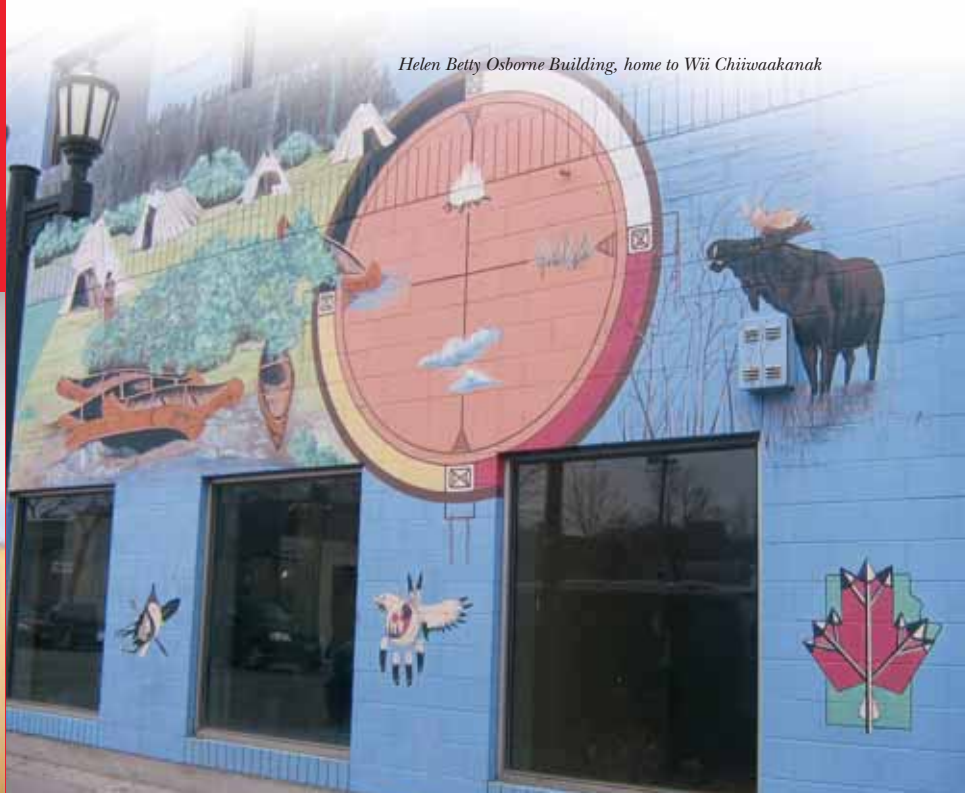

The RBC Financial Group's donation established The RBC Learning Commons and also provided financial awards for the University's high school division. The prime focus of the Learning Commons is computer-based learning, mentoring, and urban distance education for Aboriginal children and adult learners. Also part of Wii Chiiwaakanak is The North West Company Heritage Room, a resource centre for reading and discussion, and for visiting displays.

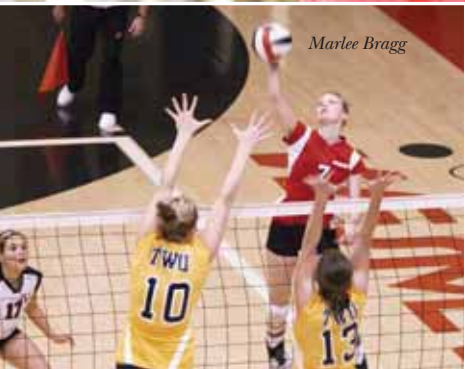

"Wii Chiiwaakanak is a living, evolving example of University and community – private, public, and corporate – working together for change," said President Axworthy.

The North West Company
President Edward Kennedy

Donors and Sponsors Support Our Wesmen Teams

Thank you to donors and corporate sponsors who support The University of Winnipeg Athletics and Recreation Department in its annual fundraising for scholarships for Wesmen student athletes. Wesmen donors this year gave in excess of \$40,000 in gifts for scholarships and bursaries for our athletes.

Gifts from donors and the help of corporate sponsors are key factors behind the success of our teams and the personal development and achievement of our University athletes. Wesmen scholarship fundraising includes an annual breakfast to raise funds for female athletes, parent/booster club potlucks, alumni receptions, and phone-a-thons. The Wesmen also appreciate the support of the Province of Manitoba for their athletic scholarships.

Through the generosity of our community, the Wesmen are able to offer the highest level of athletic scholarship in the country. This has allowed our student athletes to focus on being their best on the court and in the classroom. We are proud of the fact that the Wesmen have won 19 National Championships (#1 in Canada) and this past season 55 per cent of all Wesmen athletes attained the status of Academic All-Canadian (#1 in Canada).

The Collegiate Remembered by Loyal Donors

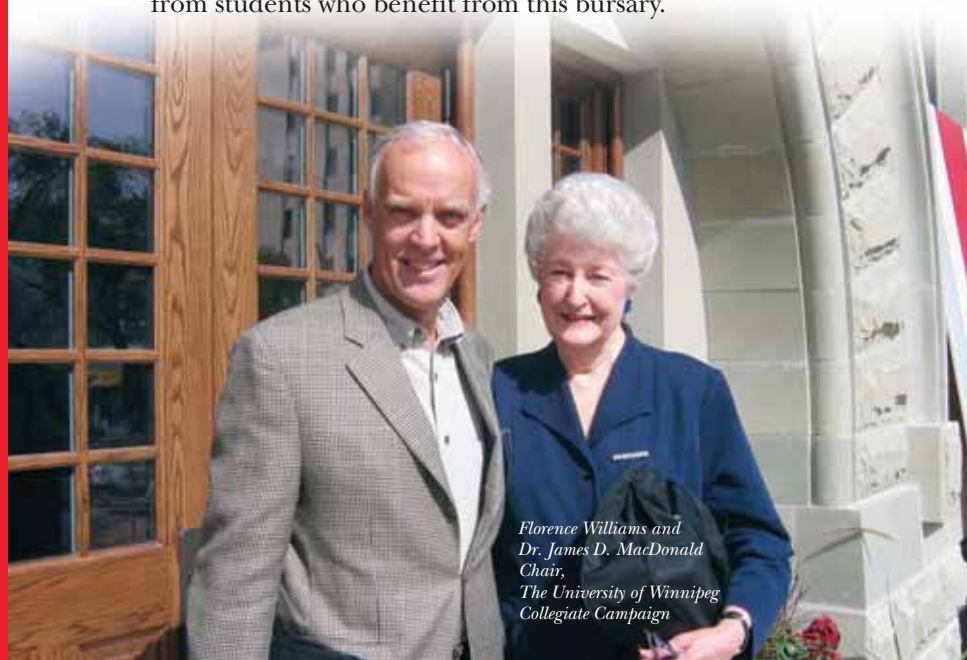

Mr. Bob Antenbring (Collegiate Class of '62) and Mrs. Joy Antenbring (Collegiate Class of '60) established the Antenbring Family Bursary to support students who would not be able to attend the Collegiate without financial support. The endowment fund they have created will ensure that this support will be available to those who need it for generations to come.

Mr. Bryce Douglas (Collegiate Class of '63) established the Douglas Family Bursary to provide significant funding to support students who otherwise would not be able to attend The Collegiate. Wanting his gift to help as soon as possible, Mr. Douglas has committed a substantial annual gift each year for five years, helping ensure accessibility to quality education offered by The Collegiate.

Florence Williams, donating for 36 years

In memory of her first husband, the late Lorne Tomlinson, Florence Williams has been contributing to The Collegiate Access Fund every year since Lorne Tomlinson's death in 1970. Dean Tomlinson served United College and The Collegiate for nearly 26 years, first as a teacher and then as Dean of The Collegiate.

"Lorne came to think of the students as 'his kids,'" recalls Mrs. Williams. "He celebrated their successes and worried over their challenges as if they were his own children. I came to think of The Collegiate and its students as part of my own extended family. That is why I continue to support the school." Each year, Florence makes her donation "in loving memory of one of the dearest persons I have ever known" and enjoys hearing about the many success stories from students who benefit from this bursary.

Honouring Dr. Tony Tascona

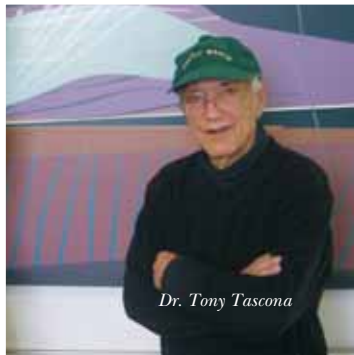

Personal friend and mentor to many, Dr. Tony Tascona's commitment to his work and his dedication to helping others was inspirational. The Winnipeg artist, who died May 28, 2006, achieved international recognition for his work as a painter, sculptor, and printmaker over his five-decade career.

*Susan A. Thompson
and Dr. Tony Tascona*

The University and its Foundation hosted an 80th birthday celebration for Dr. Tascona on April 19, 2006 at which he was able to greet many family and friends. A long-time University supporter, Dr. Tascona served as mentor, role model, and inspiration to students. Recognizing his influence on Canadian culture, the University awarded Dr. Tascona with an Honorary Doctorate in 1994. The University today holds 37 pieces of his art in its collection.

Demonstrating his personal commitment to education and art, Dr. Tony Tascona established the University's Tony Tascona Bursary Fund in 1997, offering the only academic bursary in art history in Canada. The endowment, which family and friends continue to support, provides an art history student with an annual bursary of \$2,000.

Dr. Tony Tascona

Meeting Important Needs

Mindful of the dedication of United College and University faculty members, and caring deeply about the environment, Dr. Anne Smigel (United College, '52) established The Water Quality and Health Research Fund in February 2006 at The University of Winnipeg. The fund will provide grants to support research projects on Manitoba rivers, lakes, urban water catchments, and watersheds.

Dr. Anne Smigel

"Any individual or group can make a donation to help and encourage researchers to make a positive change," says Dr. Smigel. "I hope that my gift works like a seed. When others learn the importance of taking care of our resources, they too will make a contribution in their own way."

New Endowment Funds

In 2005 – 2006, The University of Winnipeg Foundation received donations of over \$1,923,295 to create new endowment funds.

- Antenbring Family Bursary
- Norman J. & Gwen Axworthy Peace Education Fund
- Joan (Black) Barager Fine Tuning Scholarship in English
- 2005 Biology Bursary
- Bursary for New Canadians
- Rev. Roger Alan Coll Bursary
- Murray C. Coppinger Memorial Bursary
- Don Daniels Scholarship in Aboriginal Spirituality
- DCE Staff Scholarship
- Patrick Deane Provost Prize
- Bill Gadsby Pre-Service Teaching Award
- Harry E. Gordon Bursary
- Johnston Family Bursary
- R.M. (Bob) Kozminski Family Bursary
- The Bryce Lawrence Bursary in Environmental Studies
- “Lost Prize” Bursary
- Germain Massicotte Scholarship in Administrative Studies
- The Perry Nodelman Scholarship in Children's Literature
- O'Farrell Scholarship
- Prize for Excellence in Sociology
- H. Sanford Riley Fellowships in Canadian History
- H. Sanford Riley Scholarship in Economics
- Fred Smith Memorial Scholarship in Education
- Sociology Scholarship and Bursary
- Thomson Biology Bursary
- University of Winnipeg Foundation Staff Bursary
- Wu Chung Scholarships

Existing Trust Accounts Converted to Endowments

- Johnson Waste Management Scholarship
- John Ting Memorial Prize
- Dr. Lawrence Whytehead Memorial Bursary

Gifts to student awards were enhanced by over \$757,000 in matching funds from the Province's Manitoba Scholarships and Bursaries Initiative.

Building Legacies Through Endowed Funds

The University of Winnipeg Foundation is committed to the development and stewardship of endowment funds that support the mission of The University of Winnipeg. These designated pools of capital are preserved in perpetuity and invested for the purpose of providing a reliable and continuous source of income.

As of March 31, 2006, total contributed capital in The University of Winnipeg Foundation's Endowment Fund was \$24,443,885. This represents growth of 36% since the transfer of the Endowment Fund from the University to the Foundation on April 1, 2004.

During the past fiscal year, the Foundation transferred \$926,415 in endowment income to the University. In accordance with donor wishes, these funds support student awards, purchase of Library resources, funding of lectures and research, and other important University activities.

Endowed funds provide a way for alumni and friends to create legacies that are meaningful to the donor and that will help students realize their full potential through quality education at The University of Winnipeg.

The University of Winnipeg Foundation is pleased to welcome its donors into the new Legacy Circle – donors who have chosen to support The University of Winnipeg through legacy gifts.

The Legacy Circle recognizes donors who make a planned gift through a bequest, life insurance, publicly traded securities, and other deferred gift arrangements.

Legacy Circle members have an opportunity to establish and renew meaningful connections to our University. If you have already made a bequest, we invite you to make this known to The University of Winnipeg Foundation. By joining The Legacy Circle, you can help celebrate the University's achievements and stay well informed about new developments and exciting programs.

Legacy Gifts

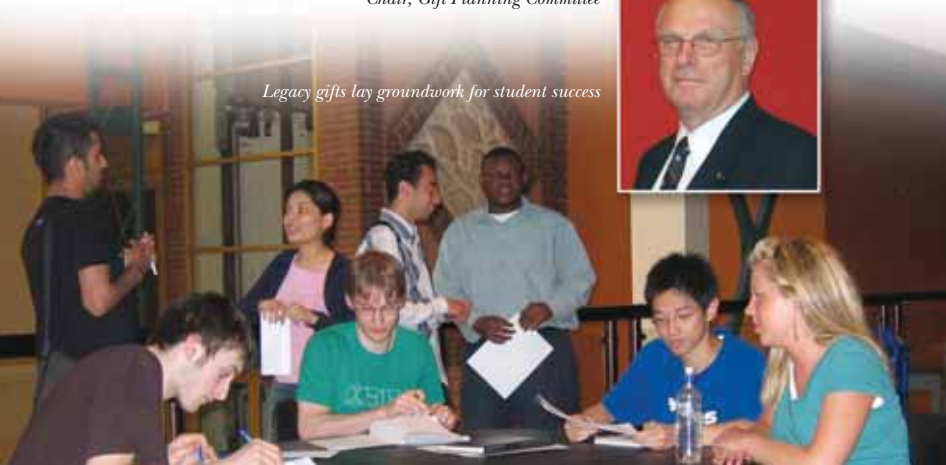

The University of Winnipeg Foundation gratefully acknowledges the legacies that are having an impact on the lives of our students. While some gifts are unrestricted, others create new scholarships and bursaries or enhance existing funds, providing increased funding for students. Our Legacy Circle donors' interest and support is as individual as the donors themselves.

Legacy gifts in 2005-2006 supported the following areas: Political Science, The Centre for Rupert's Land Studies, Geography, Art History, Administrative Studies, Psychology, Pre-Medicine, Environmental Science, Education, and Theology.
